Subject: 30-Days Notification Letter of Dietary Supplement's Statement

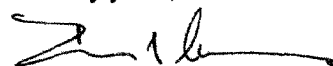

Dear Dr. Moore,

As the authorized U.S. Agent and distributor for Principle, Purapharm International (H.K.) Limited, with registered Company address at One Tronex Centre, 3 Luger Road, Denville, NJ 07834, notice is hereby given pursuant to the requirements of Section 403(r)(6) of the Federal Food, Drug and Cosmetic Act (21 U.S.C. 343(r)(6)) of the intent of us to market in the U.S. a dietary supplement, brand-named as ONCOZAC, which contains 340mg grams of Standardized Yunzhi (*Coriolus Versicolor*) Extract, equivalent to 3.4 grams of dried natural and wild Yunzhi (*Coriolus Versicolor*). Accordingly, an original and two copies of this notification, the text of Bottle Label is submitted for your reference.

I hereby also certify that, to the best of my knowledge, all the information submitted here is true and accurate.

Please direct all correspondence to me and feel free to call me at (973)-627-3800 if you have any question regarding this matter.

Sincerely yours,

Donald Chu
President & CEO

Oncozac 300's label (English)

Oncozac^(TM) is a new generation Yunzhi (Coriolus Versicolor)-derived oral supplement with enhanced efficacy and consistency developed for those who want to support and enhance the body's immune system. Made from 100% wild, natural Yunzhi, Oncozac^(TM) is produced with sophisticated and proprietary production processes under strict GMP standards. It consists of highly concentrated Yunzhi's absorbable peptidoglucan (APG) that can effectively improve the body's natural immune function by supporting the important white blood cells, bone marrow cells, and macrophages.* Every batch of Oncozac^(TM) is tested with established hygienic, chemical and immunological assays to warrant its safety, consistency and efficacy.

Ingredients: 100% Yunzhi extract (containing standardized absorbable peptidoglucan).

Dosge: 5 capsules, two times daily or as directed by physician.

Packing: 300 capsules / bottle, net weight 102g.

Storage: Keep in a cool dry place. Avoid direct sunlight.
